**STANFORD, Calif.** – Griffin Lerman scored five goals and fifth-seeded UC Irvine (19-9) finished in fifth place at the Mountain Pacific Sports Federation Championships following a 16-12 win over seventh-seeded UC Santa Barbara (13-13).

Milos Golic had five goals in the losing effort.

Lerman put the Anteaters on his back over the final minutes of the third quarter. Following a penalty shot and goal by Doug Lindsey with 2:15 left, to break a 9-9 tie, Lerman scored with 1:36 and then with seven seconds left to extend the UCI lead to 12-9. Lerman then added his fifth goal with 6:22 left to make it 13-10.

It was close for much of the contest until Lerman's flourish to end the third quarter. Both teams traded goals over the first four minutes of the third quarter after UCSB came back to tie it at halftime.

UC Irvine was seemingly in control to start the second quarter before Golic's goal with 2:09 left in the half tied the contest at 6-6 and forced an Anteater timeout.

Mitch Wise's goal with 6:37 left in the half gave UCI a 5-3 lead, as the Anteaters could have led by more, but could not convert following two steals and the Wise goal.
