Being a part of the Stanford Volleyball team has been one of the greatest experiences in my life. The people I have met and the experiences that I have had will forever be a part of my life. Stanford University is like no other institution, where student athletes can not only study with the best, but play with the best - on a national championship team. During high school, I set very high goals for myself. Whether it was on the volleyball court developing my skills, in the classroom, or while watching

Stanford play in the National Championship on ESPN, I knew I wanted to wear the Stanford "S". I achieved that goal when I became a member of the Stanford Volleyball Team and I have been able to continue the dream with the dedication and support of my parents, coaches, teammates and those of you in the Quick Set Club. There is no way my teammates or I could thank you enough for the opportunities that you have given us through your support and contributions.

Thank you again for all you do for the Stanford Women's Volleyball Team. I look forward to seeing you at our games and the booster events before and after.
